**Subject: Construction of a new thermal generating station by Hydro-Québec on the territory of the northern village of Puvirnitug – Your ref.: 3215-10-014
Follow-up on conditions and application to amend the certificate of authorization under section 201 of the EQA**

Dear Ms. Lizotte:

This letter constitutes an application to amend the certificate of authorization issued for the project mentioned in the subject line above. More specifically, we are sending you the document required to comply with Condition 3 of the certificate of authorization issued on January 17, 2023, for approval of the soundscape monitoring program.

In order to complete our application, we will send you a payment in the sum of \$1,589.00 by electronic transfer in the next few days to cover the cost of amending the certificate of authorization issued under section 201 of the *Environment Quality Act*. [REDACTED].

As requested, hard copies are being prepared and will be sent to you shortly. We certify that, to the best of our knowledge, the paper and electronic versions are identical.

We would be pleased to provide any additional information you require. Marie-Mychel de Charette, Advisor – Government Approvals, is the person responsible for this file and can be reached by email at decharette.marie-mychel@hydroquebec.com or by telephone at 514 808-7686.

Thank you in advance for your attention to this matter.

Yours truly,

Christian Bérubé
Project Manager
